

# ASSOCIATION FOR APPLIED ANIMAL ANDROLOGY “4A”

[animalandrology.org](http://animalandrology.org)

**4A plays an important & unique role in linking andrology researchers, new developments and technologies with animal breeding industries worldwide. It is renowned for its outstanding biennial conferences.**

**Today, with increasing interest in animal andrology, 4A is positioned to meet this demand with increased resources and services for members in combination with enhanced visibility and outreach, as below**

### **The “New” 4A:**

1. A new, more interactive, website [www.animalandrology.org](http://www.animalandrology.org).
2. Active social media (Facebook and Twitter)
3. Presentation of webinars, workshops and focused meetings.
4. Availability of resources, links and opportunities (including students)
5. **PLEASE CLICK ON THIS LINK TO JOIN:** <https://www.animalandrology.org/membership>

**Now we are seeking your support so that we can offer more to animal andrologists!**

This includes a small fee for membership, renewable annually (July 1-June 30), starting July 1<sup>st</sup> 2021.
